

Vision: IAMR aspires to be a national leader in undergraduate and graduate education, recognized for the success of our students and alumni, our innovative faculty and staff, and our local, national, and international partnerships.

Mission: IAMR inspires intellectual and personal growth in our students, preparing them for meaningful and ethical contributions to a diverse, global society.

Values: Intellectual Excellence Professional Preparation Community Social Responsibility Governing body designs and executes Short-term, Long-term plans integrating departmental plans, findings of SWOT analysis and other recommendations from the stake holders. Every year this process is conducted in the institution. The policy and planning are carried out according to consultation with stake holders. Top management with the help of the department wise committees formulates quality policy and integrates the same in the strategic plan. Formulation of action plans and defining the policy objectives attempts to address the issues of systematic change to provide quality education. Creating robust principles, frameworks, systems and processes the institution intends to reinforce the culture of excellence. All the systems work together as a team aiming to be champions of organizational change. The Departments fosters a healthy competitive atmosphere among themselves and each one strives to accomplish excellence in their standards.
