INNOVATIVE IDEAS ON 7 April 23

**INSTITUTE OF APPLIED MEDICINES AND RESEARCH,
9Km Stone, Delhi-Meerut Road, Duhai, Ghaziabad**

Institute of Applied Medicines and Research, Ghaziabad	
Report	
Name of Activity	Innovative Generation Ideas
Date	7-April-23
Venue	BBA BCA Seminar Hall
Organized By	BCA Department
Participants by	BCA Students
Activity in Charge	Aalekh Chaudhary
Content	Education is not learning of facts but to train minds to think. A life without ideas is an unfulfilled existence. Not only having ideas is important, but to express them, share them, and implement them is what makes a difference in this world.
Objective	The objective was to encourage students to take up innovation activities, inspire and nurture young students by supporting them to work with new ideas, transform them into prototypes, and focus on creative learning.
Outcome of the activity	Fifteen teams presented their innovative ideas and thoughts in presentations to showcase their entrepreneurial skills. The team members had to present their innovative product ideas describing all about the product or service. The presentations covered all the aspects like total market, revenue model, scalability and value proposition, etc. In addition, unique concepts like sun swift solar tiles, traffic mapping for ambulance, smart toaster, cab safety for women etc. were discussed.
