Department of Journalism and Mass communication

Name of Activity: Industrial Visit to INDIA TV News Channel

Date: 03-11-2023

Time: 12 :00 pm

Venue: INDIA TV News Channel, Noida

Total Participants: 30

Purpose of Visit: To gain practical insights into the workings of a 24/7 news channel, experience real-time newsroom operations, and understand various facets of broadcast journalism.

On November 10th, 2023, Department of journalism and Mass Communication students visited **INDIA TV News Channel** as part of their curriculum to better understand the functioning of a national television news channel. The students were provided an in-depth tour of the channel's infrastructure, engaged in discussions with senior journalists and technical staff, and observed the live news production process. The visit offered students a unique opportunity to witness the fast-paced nature of news reporting, editing, and broadcasting.

Outcomes of the Visit:

- Increased Understanding of Broadcast Journalism
- Exposure to Ethical Journalism Practices
- Career Insights and Motivation
- Exposure to Industry Trends
- Understanding the Technological Aspects of News Production
- Hands-On Experience and Skill Development

Report	
Name of Activity	"Trade Fair Visit"
Date of Activity	Tuesday, November 21, 2023
Venue	Pragati Maidan, New Delhi
Beneficiaries	BBA-First year and Second Year Students
Faculty of Coordinators	Ms. Surbhi Roy, Assistant Professor, IAMR
Objective	<ul style="list-style-type: none">To provide the students a real-world learning and developing skills in an unfamiliar environment.To enhance the personal growth of students by pushing their endurance limits to increase self-discipline and self-esteem.
Content	<p>BBA Department, IAMR organized the Trade Fair Visit at Pragati Maidan, New Delhi for BBA-Ist Year & IInd Year students on 21thNovember 2023.</p> <p>50 students took participation in this Visit. Students reached Vaishali Metro Station by 10:30 am and were accompanied by Ms. Surbhi Roy to continue further. They reached their destination by 12 pm. All the students visited various pavilions and stalls as per their choice. They sampled their favorite foods from various stalls, went shopping, snapped photos, expended ROM, and enjoyed themselves to the utmost. Students spent their whole day in learning without knowing. Students boarded the train back to Vaishali Metro Station by 5 pm. By the time they got home, their bags were full withpurchases, their phones were full of photos, and their hearts were full of wonderful memories.</p>
Outcome of Activity	This activity "Trade Fair Visit" witnessed enthusiastic participation from all the students. The visit aimed at helping the students to learn the real-world complications and the art of solving them in an

Institute of Applied Medicines & Research, Ghaziabad

unfamiliar environment. Students exhibited complete sincerity and accountability toward one another. They were considerate, helpful and disciplined throughout.

Department of Journalism and Mass communication

Name of Activity: Visit to TV Programme “Apna Aasmaan”

Date: 28-10-2023

Time: 12 :00 pm

Venue: SANSAD TV Studio , New Delhi

Total Participants: 32

Purpose of Visit: To provide students with firsthand exposure to the production and execution of a live TV program, focusing on the popular Sansad TV show "Apne Aasman" and understanding the processes involved in creating content for television broadcasting.

On October 28th , 2023, a group of journalism and mass communication students visited the **SANSAD TV Studio** to observe the live production of the television program "**Apna Aasman**". The program, which airs on Sansad TV, focuses on showcasing diverse voices, stories of personal achievements, and inspirational content. The visit was designed to provide students with practical exposure to the behind-the-scenes work involved in creating a successful TV program. During the visit, students gained insights into television production, broadcasting, and the editorial process.

Outcomes of the Visit :

- Practical Understanding of TV Program Production
- Hands-On Experience with Live TV Environment.
- Observing the Live Production of the Show .
- Insights into Content Creation and Storytelling.
- Understanding Ethical Considerations in Broadcasting.
