Report

Name of Activity	Holi celebration
Date	27.03.2021
Venue	BPT Ground
Organized By	BCA Dept.
Participants by	IAMR Students
Activity in Charge	Mrs. Rashmi Tyagi and Ms. Garima Tripathi
Content	The wide variety of festivals celebrated in India is a true manifestation of its rich culture and traditions. Winter ends, spring arrives, and the festival of colors, Holi, begins. While its roots are religious, tied in many ways to the god Krishna, Holi is also seen as a celebration of good versus evil, and of a good harvest.
Objective	It is also a custom to apologise when throwing color at someone and you might hear "Bura na mano, Holi hai" (which can be translated by "please don't be upset, it's Holi") a lot during the festival.
Outcome of the activity	Overall, it was a wonderful and tremendous day for new students where student could spend time to work and role and relevance of a team.

### Recycling scenario in India

- E-waste recycling is presently concentrated in the informal/unorganized sector
- Non-organized collection system generally
- Operations are mostly illegal
- Processors are highly polluting
- Recycling operators engage in:
  - Sorting
  - Use of simple tools
