- To develop and sustain a transparent organization through continuous up gradation of the institutional system.
- To provide environment for the professional growth of faculty.

BACHELOR OF EDUCATION (B.Ed.)

Bachelor in education(B.ed.) is a two-year degree course affiliated to ch. charan singh university, meerut. since education is one of the most preferred career options today, b.ed. is a natural corollary to this preference. at ccsce&t, this course has been designed to impart basic principles of education to the future deans, so that they achieve a strong grounding in education. this is beneficial for students if they pursue higher studies in b.ed., or if they pursue any other course that is related to any other aspect of corporate world. B.ed helps students in developing society and personal competence through their exposure to the real educational problems, analysis of cases and seminars visits.

B.Ed is the bachelor's degree undertaken to take up teaching as a profession in schools. However, it is worth knowing that a B.Ed or Bachelor of Education is not an undergraduate degree and to pursue this course one needs to have completed his/her graduation. Thus, B.Ed is a professional course and right after completing this course, students can get a job at school level. However, it may be noted that those who wish to become school teachers of senior secondary classes need to have a post-graduation degree before pursuing B.Ed.

ACTIVITIES

* COMMUNITY WORKSHOP

Community work is an integral part of B.Ed curriculum. The college collaborates with different organizations and places students in varied environments like working with the underprivileged sections of the society, mentally challenged children, environment centers for tree plantation, old age homes etc. Street plays on themes to educate the community like gender issues, cleanliness and sanitation are encouraged. The whole experience is designed to sensitize student teachers to the needs of society and their role as a teacher.

* CULTURAL & CO-CURRICULAR ACTIVITIES

Achievement of students in cultural & co-curricular activities during last two years The students participate in different cultural and extracurricular activities like Folk Dances, Classical Singing, Group Singing, Theatrical Items, Traditional Heritage Items, Fine Arts Items, Home Science Items, Quiz, Literary items at Zonal and Inter zonal Youth and Heritage Festivals and win laurels. The students are also made to participate in Inter-college competitions. The cultural events are also performed during college function on various occasions.

* SCOUT AND GUIDETRAINING CAMP

Three days Scout and Guide Training Camp has been organized in IAMR B.Ed. College, Ghaziabad by Scout Trainer. The purpose of organizing such training camp is to make the students be prepared always to help others.

* SEMINARS, WORKSHOPS

A number of regional, national and international level of seminars, workshops and extension lectures are organized from time to time to give a wider perspective of the innovations and development taking place in different fields to the students as well as teachers. They enlighten and enrich the mind and open new avenues of thought and research in different fields as they provide an opportunity to interact and learn from veterans of the educational community.

* GAMES & SPORTS

Games and sports are compulsory for all the students provision has therefore been made for games and sports under the supervision of the qualified lecturer in Physical Education.

The Annual Sports Function is held every year to test the physical fitness, stamina and athletic skills of the students. All the students are required to participate in it.
