33rd Convocation Ceremony Ch. Charan Singh University, Meerut (UP)

VISION

IAMR aspires to be a national leader in undergraduate and postgraduate education recognised for the success of our students and alumni, our innovative faculty and staff, and our local, national and international partnerships.

MISSION

IAMR inspires intellectual and personal growth in our students preparing them for meaningful and ethical contribution to the society.

ABOUT IAMR

IAMR Group began as an educational institute in the early 2000s, revamping traditional educational techniques and focusing on innovation. It sent shockwaves through the educational sector, allowing IAMR Group to position itself as one of the industry's leaders. The organization is now a multi-faculty educational cluster that offers a wide range of courses, including engineering, management, health sciences, information technology, education, and law, to name a few. IAMR Group's vision and commitment to educational quality can be seen in the Institute of Applied Medicine and Research, Institute of Advanced Management and Research, Institute of Technology and Management, IAMR B.ED College, and IAMR Law College. IAMR Group's stated goal is to integrate education with entrepreneurship.

Intra Departmental Sports Event 24th Nov 2021

The Biotechnology & Microbiology Society (BMS) under the aegis of Life Science, Institute of Applied Medicines & Research (IAMR), organised "Intra-departmental Sports Event" on November 24, 2021. The event was graced by the auspicious presence of Sh. Sanjay Bansal, Secretary IAMR, Smt. Anshu Bansal, Joint Secretary, IAMR, Dr. Pradeep Kumar Vashistha, Group Director IAMR and Dr. Fanish Kumar Pandey, Head of the Department (HoD) Faculty of Life Sciences, IAMR. Dr. Fanish Kumar Pandey officially announced the opening of the Sports event. The main events were:

- Volleyball
- Carrom
- Chess
- Badminton

There is a great importance of sports for students. The sport teaches discipline to students and is also essential for them as they develop the spirit of sportsmanship. Apart from that they also provide pleasure to the students from the busy schedule of academics. Keeping in mind, the importance of sports, these events were conducted for the overall growth of students.

These events were also graced by the presence of all faculty members Er. Rajya Vardhan Tripathi, Dr. Swati Tyagi, Dr. Neha Prakash Rai, Dr. Yamini Dixit, Dr. Monika Bajpai, Dr. Jyoti Tyagi, Dr. Divya Sharma, Ms. Shweta Tyagi, Ms. Neha Shukla, Ms. Neetu Saharan, Dr. Neha Gupta and Mr. Rahul Gautam, who have also participated and motivated the students for active as well as healthy participation.

The students participated actively in each and every event with great zeal and enjoyed a lot. We are thankful to the management for providing their support for conducting such type of extra-curricular activities.

WORLD AIDS DAY 1st Dec. 2021

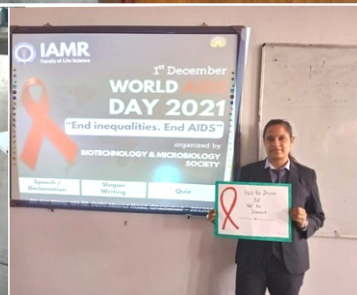

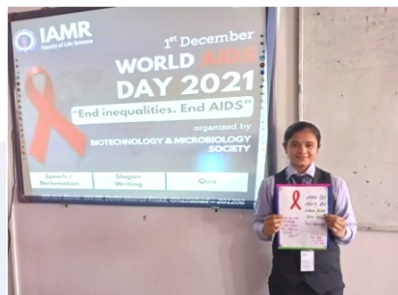

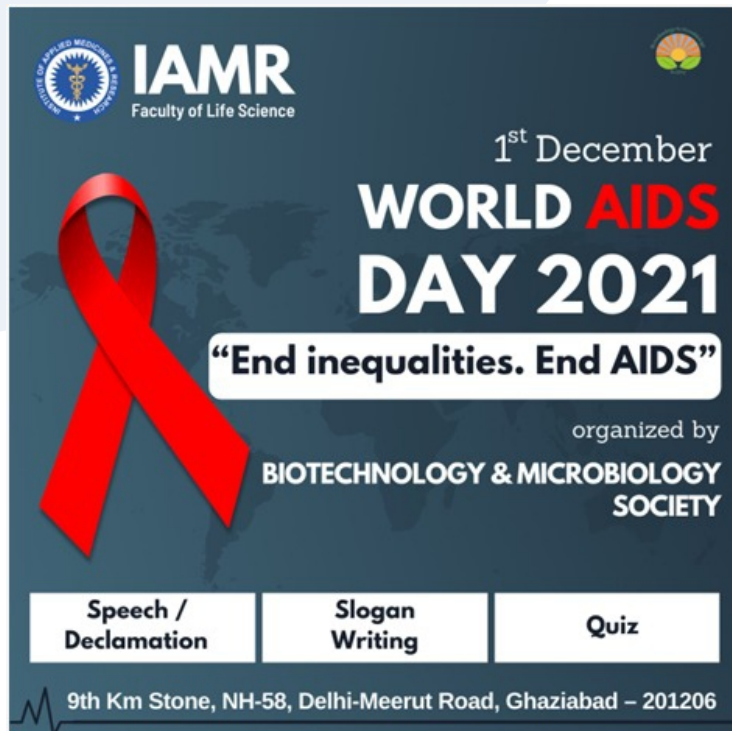

The Biotechnology & Microbiology Society (BMS) under the aegis of Life Sciences, Institute of Applied Medicines & Research (IAMR), organized awareness program on World AIDS Day with the theme "End inequalities. End AIDS" on 1st Dec, 2021. It consisted of Speech/Declamation, Slogan writing and Quiz Competition. Dr. Fanish Kumar Pandey, Head of the Department (HoD) Faculty of Life Sciences, IAMR graced the occasion along with other faculty members & talked about various health concerns related to this pandemic.

World AIDS Day is observed with a new theme every year and this year's theme "End inequalities. End AIDS" is aimed at WHO and its partner organisations highlighting the need for a special focus on reaching people left behind. It is calling on global leaders to rally to end inequalities that drive AIDS. Students participated in event and spread the awareness about HIV and AIDS. Students also cover the area of prevention and control of AIDS.

World AIDS day is celebrated worldwide to pay more awareness for AIDS pandemic caused by the spread of HIV infection. The global HIV epidemic is not over and may be accelerating during the COVID-19 pandemic, with a devastating impact on communities and countries. Despite significant efforts, progress in scaling up HIV services was already stalling before the COVID-19 pandemic. Now is the time for us to once again make a leap in our response to work together to end COVID-19 and get back on track to end HIV by 2030. The key events organized on the occasion of World AIDS Day are Speech/Declamation, Slogan writing and Quiz.

Winners of the various competitions are as follows:

- A. Quiz:**
First- Sankalp (B.Sc. Microbiology First)
Second -Dev (B.Sc. Microbiology Second)
Third -Ujjwal (B.Sc. Biotechnology First)
- B. Slogan writing:**
First - Khushi Chaudhary (B.Sc. Microbiology First)
Second -Anjali (M.Sc. Microbiology First Sem.)
Third -David (B.Sc. Microbiology First)
- C. Speech/Declamation:**
First-Pavisha (M.Sc. Biotechnology First Sem.)
Second - Sneha Tomar (B.Sc. Biotechnology First)
Third -Anjali (M.Sc. Microbiology First Sem.)

Webinar cum Virtual Industrial Visit-Yakult Danone India Pvt. Limited. 12 Jan 2022

Faculty of Life Sciences, IAMR, Ghaziabad in association with Yakult Danone India Pvt. Ltd., Sonipat organised a one day 'Webinar-cum-Virtual Industrial Visit' on 12.01.2022. With a motive of Daily Pilo : Healthy Jio; Yakult setup one and only production unit in India in 2005 and launched probiotic fermented milk drink. Webinar was specially designed for the microbiology and biotechnology students focusing on Probiotics and its importance in human health. The students were introduced to the world of probiotics and the journey of Yakult since beginning.

The second stage was more interesting and first-hand experience for all the participants as it was as virtual factory tour, where Yakult's production process was shown to the students virtually. The manufacturing process of Yakult is highly mechanised with no human touch. The plant has a capacity of manufacturing 1 million bottles per day. The interaction session was also conducted by Mr. Tushar Kumar (Executive-Public Relations) in which the students asked question related to production, microbial strain, storage, shelf life, importance etc., which were satisfactorily answered by the Mr. Tushar.

The event was attended by more than 150 students along with the faculty members.

World Earth Day 22 April 2022

The Biotechnology and Microbiology Society (BMS) under the aegis of Faculty of Life Sciences, IAMR, organized the event of "Notice Board Decoration" on the occasion of "Earth Day". Earth Day is celebrated annually on 22 April. This year the theme of Earth Day 2022 is :-

'Invest In Our Planet'.

The event was graced by the presence of Shri Sanjay Bansal, Secretary, IAMR., Smt Anshu Bansal, Joint Secretary, IAMR., Dr. P K Vashistha, Director, IAMR and Dr. Aarti Bhardwaj, Head of the Department, FLS, IAMR.

Earth day, also known as "International Mother Earth Day". The main aim is to raise awareness about the growing concerns of overpopulation, loss of biodiversity and depleting quality of the environment. The key point here is to act in a bold way, innovate in a broad way and implement in an equitable manner. Every government, every business and every individual in this world has a voice.

The notice board competition was held among the students of four house groups i.e Group A, B, C and D. All the students have decorated their notice board nicely. After judgement, the winner house is house group B and winner students of this group are :-

- Kamal Raj
- Chanchal Tyagi 1
- Chanchal Tyagi 2
- Aanchal
- Rashmi
- Komal
- Himanshi

Students were awarded with prizes for their participation in the event.

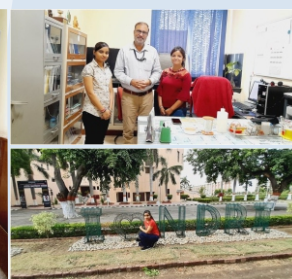

FAREWELL PARTY

The Faculty of Life Sciences, IAMR, Ghaziabad organized Hasta La Vista 2K22, a farewell party on May 28, for undergraduate and post graduate students. Students were overwhelmed with the gracious presence of Chief Guests Mr. Sanjay Bansal (Secretary), Mrs. Anshu Bansal (Joint-Secretary), Dr. P.K Vashishtha (Director) and Dr. Aarti Bhardwaj (HoD, Faculty of Life Sciences). All the dignitaries exhorted the students to follow the path of truth in future and guided them to work in coordination, which is of essential need for professional courses and jobs. The faculty members of FLS Dr. Fanish Kumar Pandey, Dr. Abha Verma, Dr. Yamini Dixit, Dr. Monika Bajpai, Dr. Jyoti Tyagi, Dr. Divya Sharma, Dr. Neha Gupta, Ms. Neetu Saharan and Mr. Rahul Gautam were also present during the event and directed the students.

Biotech Startup Visit , 10 June 2022

Students from Department of Biotechnology and Microbiology of IAMR have visited the Pragati Maidan, New Delhi for the India's first Biotech Startup Expo 2022 under theme "Biotech Startup Innovations: Towards Aatma Nirbhar Bharat" on 10 June 2022, which is inaugurated by our honourable PM Modi ji. The expo is being held to mark the completion of ten years of setting up of Biotechnology Industry Research Assistance Council (BIRAC). This Expo will provide a common platform to connect investors, entrepreneurs, scientists, researchers, industry leaders, manufacturers, bio-incubators, regulators and government officials. Around 300 stalls have been set up at the Expo 2022, showcasing applications of biotechnology in various fields including healthcare, agriculture, genomics, clean energy, biopharma, industrial biotechnology and waste-to-value. Along with the students, Dr. Fanish Kumar Pandey, Dr. Neha Gupta and Mr. Rahul Gautam, faculty members of FLS have also visited this Expo. The students participated actively in each and every session of Expo with great zeal and enjoyed a lot.
