Aims of the Seminar

The main aim of the National Seminar is capacity building of U.G. and PG students, Research Scholars, Professionals & Scientists to meet out complex challenges of climate changes. For the survival of life, ours is the only planet in the whole Universe, and for its sustainability, a global interaction is demand of the day.

This National Seminar with Theme ‘Only One Earth’ projected by United Nations Environment Plan for World Environment Day 2022, shall focus on priorities, plans & possibilities through oral & posters paper presentation and interaction with resource persons on following subthemes –

- Global Warming and water Resources
- Wild life and Deforestation

- Noise pollution and Habitat Problem.
- Population, urbanization and Migration.
