WORLD ENVIRONMENT SUMMIT 2020 & YOUNG SCIENTIST AWARD

18-19 Jan 2020

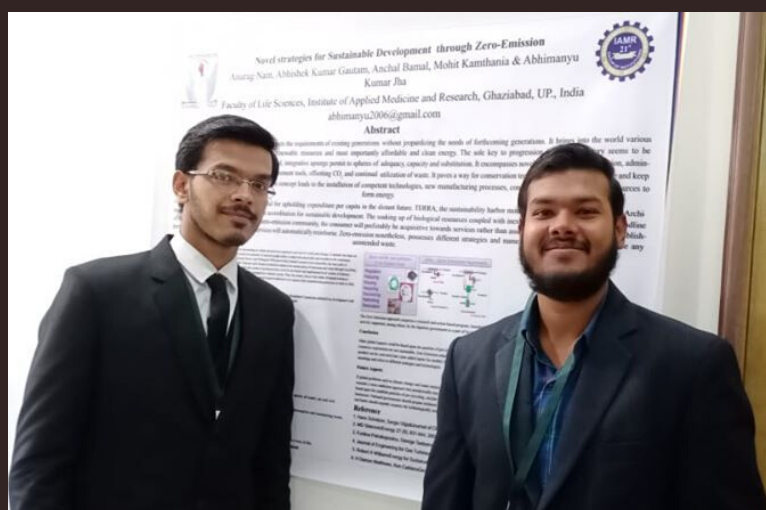

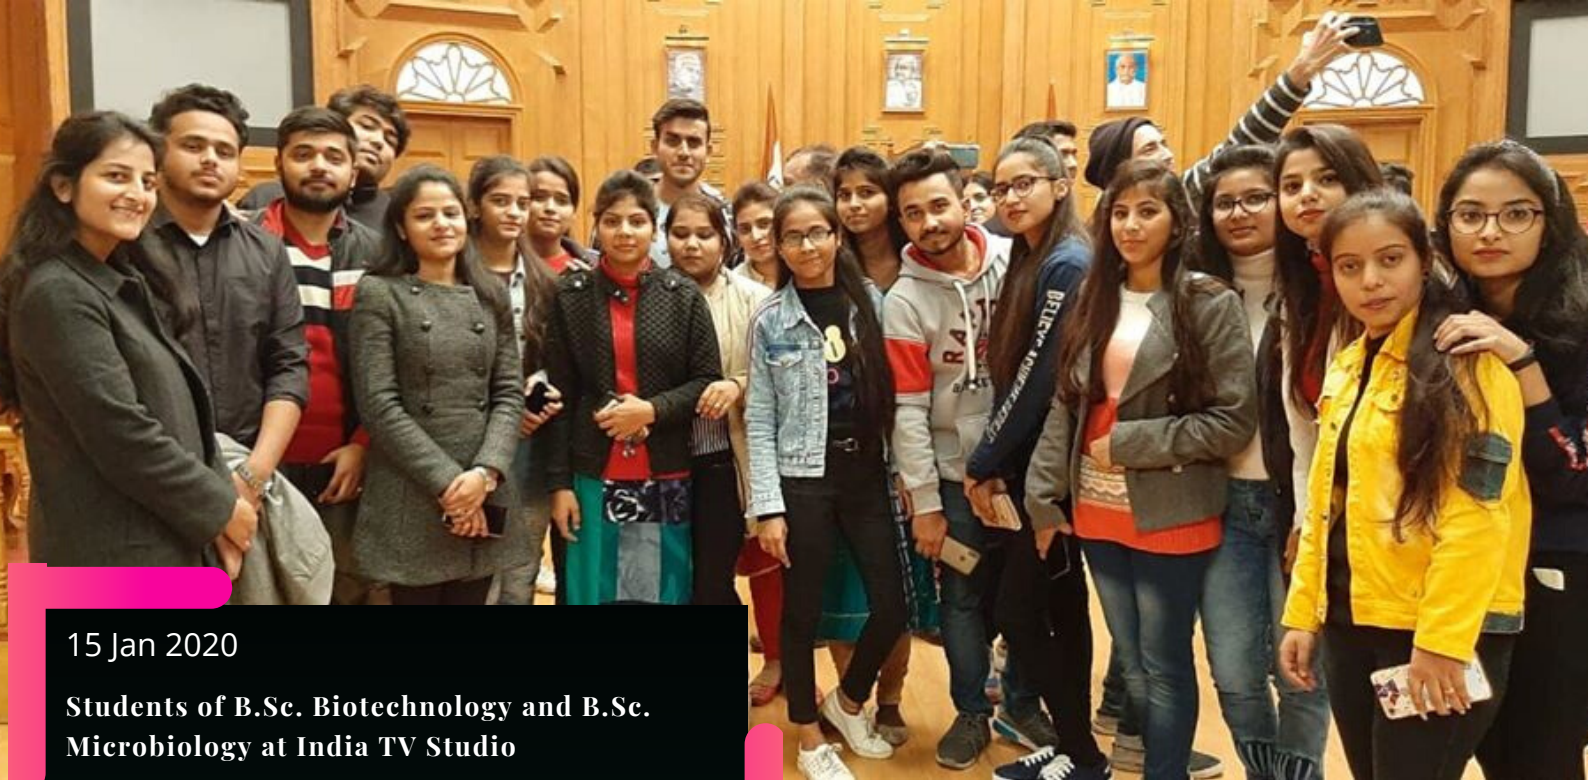

Dr. Abhimanyu Kumar Jha, Dean, Faculty of Life Sciences, Institute of Applied Medicines & Research, Ghaziabad, chaired the session at World Environment Summit 2020, organized by Environment and Social Development Association (ESDA), New Delhi from January 18-19, 2020. He was also awarded the Young Scientist Award by ESDA on this occasion.

Students of B.Sc. Biotechnology and Microbiology, and faculty members, Dr. Swati Tyagi and Dr. Anju Tyagi, represented Institute of Applied Medicines & Research on the first day of World Environment Summit 2020, organised by Environment and Social Development Association (ESDA), New Delhi.

Anurag Nain (B.Sc. Biotechnology 2nd yr) Anshul Kalia, Abhishek Kumar Gautam, Sakshi, Aparna Tyagi (B.Sc. Microbiology 2nd yr), Piyush Prajapati and Ritu Singh (B.Sc. Microbiology 3rd yr) participated in the poster presentation in various themes of the conference. Dr. Swati Tyagi was awarded with third prize in oral presentation category.

The conference provided exposure to young minds on the ongoing research and scientific achievements. Students were fascinated and experienced elevated passion and enthusiasm for science and research.

FIRST ANTI-AGING AND PREVENTIVE HEALTHCARE CONFERENCE

18-19 JAN 2020

Dr. Abhimanyu Kumar Jha, Dean, Faculty of Life Sciences, participated in the First Anti-Aging and Preventive Healthcare Conference in India held at Hyatt Regency, Delhi from January 18-19, 2020.

22-23 Dec 2019

INVITED TALK & INNOVATIVE ANIMAL SCIENTIST AWARD

1st International Conference on Environment and Society (ICES 2019) held at Harcourt Butler Technical University, Kanpur on 22- 23 December.

Dr. Abhimanyu Kumar Jha, Dean, Faculty of Life Sciences, Institute of Applied Medicines and Research, Ghaziabad delivered an invited talk on "Ground Water Contamination and its correlation with Epigenetic changes in various kinds of cancer". He also chaired the session in this international gathering. According to this research, the levels of heavy metals Arsenic, Nickel and Chromium result in changing the Gene expressions of various genes involved in causing various cancers. Dr. Jha received the Innovative Animal Scientist Award from Prof. Karunakar Singh, Pro Vice Chancellor, Harcourt Butler Technical University, Kanpur, Prof. Kaul and Prof. Sadhana Singh for his eminent and distinguished work in cancer biology. His invited talk in the conference also received best oral presentation in invited talk category.

WORKSHOP ON BIOTECHNOLOGY AT IAMR

STUDENTS OF M.SC. BIOTECHNOLOGY AND M.SC. MICROBIOLOGY AT NEWS 18 STUDIO

15 Oct 2019

WORLD SOIL DAY

Biotechnology & Microbiology Society (BMS)" celebrated World Soil Day on 5th December as a means to focus attention on the importance of healthy soil and advocating for the sustainable management of soil resources. The BMS Society of IAMR observed this event by involving all undergraduate and postgraduate students of Biotechnology and Microbiology departments for creating the awareness about Soil.

Students of B.Sc. Microbiology & Biotechnology created awareness about how soil contributes to food, reduces biodiversity loss, and secures energy. Problems like deforestation, bad agricultural practices and pollution causes soil degradation and erosion.

In the end, Dr. Abhimanyu Kumar Jha, Dean, Faculty of Life Sciences, emphasized and highlighted about Stop soil erosion, Save our future" to raise awareness on the importance of sustaining healthy ecosystems and human well-being by addressing the increasing challenges in soil management.

National Pollution Control Day

02 Dec 2019

01 Dec 2019

World AIDS Day

It was dedicated to raising awareness for the AIDS pandemic caused by the spread of HIV infection. The BMS Society of Institute of Applied Medicines & Research observed this event by involving all students of Biotechnology and Microbiology departments for creating the awareness about AIDS.

Biotechnology and Micro biology Society (BMS) observed National Pollution Control Day at Faculty of Life Sciences, Institute of Applied Medicines & Research, Ghaziabad. The aim behind celebrating this day is to raise awareness about the problem caused by increasing pollution.

डॉ. अभिमन्यु को युवा वैज्ञानिक सम्मान से किया गया अलंकृत

गाजियाबाद। पर्यावरण और सामाजिक विकास संस्था नई दिल्ली द्वारा आयोजित अंतरराष्ट्रीय पर्यावरण शिखर सम्मेलन-2020 में इंस्टीट्यूट ऑफ एप्लाइड मेडिसिन एंड रिसर्च (आईएमआर) संस्थान (गाजियाबाद) के लाइफ साइंस विभाग के डीन डॉ. अभिमन्यु कुमार झा ने पर्यावरण सत्र की अध्यक्षता की। इस मौके पर डॉ. अभिमन्यु को युवा वैज्ञानिक सम्मान से अलंकृत किया गया। संस्थान के सूक्ष्म जीव विज्ञान विभाग की प्रोफेसर डॉ. स्वाति त्यागी ने व्याख्यान प्रस्तुत कर तीसरा स्थान प्राप्त किया। सम्मेलन ने संस्थान के विद्यार्थियों अंशुल कालिया, अभिषेक गौतम, पियूष प्रजापति, अनुभव, अनुराग आर्ची व श्रुति सिंह पोस्टर प्रतियोगिता में भाग लिया।
