27 Sept 2019

Faculty of Life Sciences, Institute of Applied Medicines & Research, Ghaziabad, organised awareness drive among the students on various serious social issues which include **Swacch Bharat Abhiyan**, Say No to Plastic, Global warming, Sustainable Development, Water Conservation etc. Faculty members interacted with the students and enlightened students about the social issues. Students also participated with same zeal and took the pledge to make a healthy contribution in remedial steps against these social issues.

LABORATORY VISIT

05 Oct 2019

Students of M.Sc. Biotechnology and Microbiology, and faculty members Dr. Amit Kumar Singh & Dr. Arjun Chatterji, Institute of Applied Medicines & Research visited the National Physical Laboratory, New Delhi in open day event for celebrating the founder day of CSIR. The aim of the visit was to explore the state of art research lab and experimental facilities in various research fields. The objective of the visit of students was to provide exposure to young minds to the ongoing research and scientific achievements. Students were fascinated and experienced elevated passion and enthusiasm for science and research.

CONVOCATION CEREMONY

30 Sept 2019

31st convocation ceremony of Chaudhary Charan Singh University, Meerut was organised today at C.C.S. University Campus, Meerut. Honorable Governor of Uttar Pradesh, Smt Anandiben Patel received guard of Honour and Sh. Ramesh Chandra, Member Niti Ayog and Finance Commission, New Delhi was the chief guest for the convocation ceremony.

Institute of Applied Medicines & Research is a well-known and renowned name in the Biotechnology and Microbiology fields. It was a big day for Institute of Applied Medicines & Research as our two students-Mr. Harsh Goel (M.Tech.-Integrated Biotechnology) and Ms. Khushboo Gupta (B.Sc. Microbiology) excelled and outshined in flying colours as University toppers and bagged the Vice Chancellor's Gold Medal-2019 for their respective courses. IAMR-FLS wishes all the very best to the students and wish them success in all their future endeavours. It is a proud moment for all of us.

2nd OCTOBER

02 Oct 2019

Faculty of Life Sciences, IAMR today organised various events to celebrate 2nd October, the birth anniversary of Gandhiji and the International Day of Non-Violence. On-Spot painting and poster competition was organised in which all the departments, including Departments of BBA, BCA, B.Ed., Law, PGDM and MBA along with Departments of Biotechnology, Physiotherapy and Microbiology took active participation. Various Scientific and Non-Scientific themes (including Swachha Bharat Abhiyan, Say No to Plastic, Water Conservation, Global Warming, Pollution etc.) were the thrust areas for social and scientific awareness. Mr. Sanjay Bansal, (Secretary), Mrs. Anshu Bansal, (Joint-Secretary) and Dr. Abhimanyu Kumar Jha (Dean, Faculty of Life Sciences), along with all the faculty members as well as the students made sure that the Gandhi Jayanti was celebrated in a dignified and proper manner with great success. All the students overwhelmingly participated in poster and painting competition. Seminars were organised in each department, highlighting the contemporary social issues and beliefs of Mahatma Gandhi. A rally was further organised with the thought to make the people aware about Gandhiji's dream of Clean India.

Mr. Sanjay Bansal along with Dr. P.K Vashistha, Director, ITM college, Meerut and Dr. Abhimanyu Kumar Jha sworn in all the faculty members as well as students to conserve and preserve the natural resources and environment. A Swachhta abhiyan rally was inaugurated from PGDM department as the starting point. The Rally in full swings spreaded the notion of Clean India throughout the Campus of IAMR and finally concluded at the Administration Block.

The program was inaugurated with the Saraswati Vandana by the students. Students mesmerized the spectators by their various talented performances which were full of energy and entertainment. All the performances by the seniors & juniors were aesthetically pleasing & entertaining for all the spectators.

TOURNANT -2K19

12 Oct 2019

Institute of Applied Medicines and Research Institute, Ghaziabad organized Tournant -2K19 to welcome new undergraduate and post graduate students. Students were overwhelmed with the gracious presence of Chief Guests Dr. A.K. Gupta (Renowned Physician, Spl. Diabetes) and Mr. Siddhartha Deb (Senior Manager, Orient Blackswan, Hyderabad), Mr. Sanjay Bansal (Secretary), Mrs Anshu Bansal, (Joint-Secretary), and Dr. Abhimanyu Kumar Jha (Dean, Faculty of Life Sciences). Dr. A.K. Gupta and Mr. Deb exhorted the students to follow the path of truth in future and guided them to work in coordination which is of essential need for professional courses and jobs.

Mr. Sanjay Bansal wished a bright future for all the students so that they can outshine in flying colours and make their family and Institute feel proud. Joint-Secretary Smt. Anshu Bansal told the students to concentrate and stay focused with full determination for fulfilling their goal and wished them to be a good human being as well. Dr. Abhimanyu Kumar Jha, appealed to the students to take the Biotechnology and Microbiology departments to the new heights of talent, achievements and success. He laid emphasis on the importance of discipline and time management in life.
